# STATEMENT OF MANAGEMENT'S RESPONSIBILITIES FOR THE PREPARATION AND APPROVAL OF THE PROJECT SPECIAL PURPOSE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2024

The following statement, which should be read in conjunction with the independent auditors' responsibilities is made with a view to distinguish the respective responsibilities of management and those of the independent auditors in relation to the project special purpose financial statements of the Project "Tajikistan Preparedness and Resilience to Disasters Project", Grant No. D9780-TJ (the "Project").

Management is responsible for the preparation of the project special purpose financial statements that present fairly, in all material respects, the summary of funds received and expenditures paid and the summary of expenditures paid by components for the year ended December 31, 2024 in accordance with International Public Sector Accounting Standard "Financial Reporting Under the Cash Basis of Accounting" (the "IPSAS") issued by the International Public Accounting Standards Board of the International Federation of Accountants and the World Bank's Financial Management Sector Board's "Guidelines: Annual Financial Reporting and Auditing for World Bank Financed Activities" (the "WB Guidelines").

In preparing the project special purpose financial statements, management is responsible for:

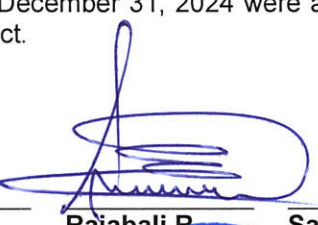

- selecting suitable accounting policies and applying them consistently.
- making judgments and estimates that are reasonable and prudent.
- stating whether IPSAS and WB Guidelines have been followed, subject to any material departures disclosed and explained in the project special purpose financial statements; and
- preparing the project special purpose financial statements on a going concern basis, unless it is inappropriate to presume that the Project will be implemented in accordance with the established period.

Management is also responsible for:

- designing, implementing and maintaining effective and sound system of internal control and for revealing risks in system of internal control;
- maintaining proper accounting records that disclose, with reasonable accuracy at any time, the financial position of the Project, and which enable them to ensure that the project special purpose financial statements of the Project comply with IPSAS and WB Guidelines;
- compliance with laws and regulations of the Republic of Tajikistan, accounting system of the Project and the requirements of the World Bank;
- taking such steps as are reasonably available to them to safeguard the assets of the Project; and
- detecting and preventing fraud and other irregularities.

The project special purpose financial statements for the year ended December 31, 2024 were approved and authorized for issue on June 17, 2025 by the management of the Project.

On behalf of the Management of the Project:

## INDEPENDENT AUDITORS' REPORT

**To the Management of Project "Tajikistan Preparedness and Resilience to Disasters Project" the Project Implementation Unit under the Ministry of Finance of the Republic of Tajikistan, the Project Implementation Group under the Ministry of Transport of the Republic of Tajikistan and the Project Implementation Group under the Committee for Emergency Situations and Civil Defense of the Republic of Tajikistan and to the Management of State Committee on Investments and State Property Management of the Republic of Tajikistan**

### Opinion

We have audited the Special Purpose Financial Statements prepared by the Management of Project Implementation Unit under the Ministry of Finance of the Republic of Tajikistan (hereinafter- PIU MoF), by the Management of Project Implementation Group under the Ministry of Transport of the Republic of Tajikistan (hereinafter- PIG MoT) and by the Management of Project Implementation Group under the Committee for Emergency Situations and Civil Defense of the Republic of Tajikistan (hereinafter-PIG CoESCD) of the "Tajikistan Preparedness and Resilience to Disasters Project" (hereinafter-Project) financed against the financial proceeds of the International Development Association (hereinafter-IDA) according to the Grant Agreement No D9780-TJ (hereinafter-Financing Agreement) for the year ended December 31, 2024.

The Special Purpose Financial Statements comprise Summary of Funds received and Expenditures paid, Summary of Expenditures paid by Components, Notes to the special purpose financial statements includes: (i) Statement of Expenditure (SOE); (ii) Statement of the Designated Account (iii) Statement of Financial Position; and the principal accounting policies and other explanatory information.

In our opinion,

- The Special Purpose Financial Statements of the Project fairly present in all material respects the financial position of the Project as at December 31, 2024 and the results of its operations for the year ended December 31, 2024, in conformity with the international Public Sector Accounting Standards (hereinafter - IPSAS);
- The PIU MoF, PIG MoT and PIG CoESCD has utilized all proceeds of the Financing Agreements withdrawn from IDA only for purposes of the Project in accordance with the Financing Agreements; and no proceeds of the Financing Agreements have been utilized for other purposes;
- Statement of Designated Account on Project for the year ended December 31, 2024 give a true and fair view of the financial position of the Designated Account of the Project as at December 31, 2024 and of the cash flows for the year ended December 31, 2024 and complies with the World Bank's guidelines; moreover
- With respect to SOEs, adequate supporting documentation has been maintained to support claims to the IDA for reimbursement of expenditures incurred and the expenditures comply with objectives stipulated in the Financing Agreements.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Project PIU MoF, PIG MoT and PIG CoESCD in accordance with the ethical requirements that are relevant to our audit of the statements in with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter**

#### *Basis of Accounting*

Without modifying our opinion, we draw attention to Note 3 to the Special Purpose Financial Statements, which describes the basis of accounting. The Special Purpose Financial Statements are prepared to assist the Project to comply with the financial reporting provisions on the requirements conditions of the Financing Agreements and IPSAS. As a result, the Special Purpose Financial Statements may not be suitable for another purpose.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the Special Purpose Financial Statements based on the cash flow basis in accordance with IPSAS and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Project PIU MoF, PIG MoT and PIG CoESCD ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Project or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Project PIU MoF, PIG MoT and PIG CoESCD financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISAs) will always detect a material misstatement when it exists.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ✓ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- ✓ Obtain an understanding of internal control relevant to audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Project PIU MoF, PIG MoT and PIG CoESCD internal control.

- ✓ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ✓ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the PIU MoF, PIG MoT and PIG CoESCD ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the PIU MoF, PIG MoT and PIG CoESCD to cease to continue as a going concern.
- ✓ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**1. GENERAL INFORMATION**

On June 29, 2022 there was signed the Financing Agreement for the Project “Tajikistan Preparedness and Resilience to Disasters Project” (the “Project”) between the Republic of Tajikistan and International Development Association (the “IDA”, “World Bank”). According to this Agreement World Bank provides Grant No. D9780-TJ in the amount of 35,800,000 Special Drawing Rights (the “Grant”).

The Financing Agreement for the Project “Tajikistan Preparedness and Resilience to Disasters Project” came into the force on October 19, 2022.

**Project purpose**

The objectives of the Project are: (a) to support disaster recovery, strengthen the resilience of critical roads, and enhance disaster risk management capacity; and (b) in the case of an Eligible Crisis or Emergency, respond promptly and effectively to it.

The Project consist of the following parts:

***Part 1: Building Road Resilience***

**1.1. Rehabilitating Roads Damaged by the 2021 Floods**

Rehabilitation of Priority Roads and associated infrastructure damaged by the 2021 Floods.

**1.2. Protection and reinforcement of Priority Roads**

- a) Reinforcement and protection of one or more segments of Priority Roads at significant risk of natural hazards, including reconstruction, repair and new installation of measures; and
- b) procurement of heavy specialized machinery for MOT to prepare for emergency response and maintenance of its infrastructure assets; and carrying out of training and capacity building to enhance MOT's and its regional and local road maintenance departments' abilities to design, implement, and maintain structural and non-structural resilience measures.

***Part 2. Strengthening Disaster Risk Management Capacity***

**2.1. Strengthening regional crisis management centers and systems**

- a) Carrying out necessary works to build or renovate facilities to host CoESCD's regional crisis management centers ("RCMCs") in Khujand, Khorog and Bokhtar;
- b) purchasing of required information and communication technology equipment to be installed within the RCMCs, integrated with the national systems being installed in the NCMC;
- c) purchasing of additional mobile command and communication vehicles for the improved crisis management systems at the regional/local levels, as needed, to perform as RCMCs;
- d) hiring of consultancy services for expanding the national operations manual for the RCMCs; and
- e) capacity building for relevant staff and operators of the RCMC and users of mobile command and communication vehicles, as needed.

## 2.2. Modernizing disaster communication and information systems

- a) Enhancement of existing radio communication networks across the country and setting up new radio communication networks at least in large cities and population centers to improve disaster risk management;
- b) enhancement of other ICT networks such as microwave, satellite, and fiber optics used for disaster risk management;
- c) enhancement and/or development of umbrella disaster management software integrated for current and future early warning systems and current emergency management software platforms;
- d) enhancement and/or development of an interagency platform for data exchange to facilitate real-time data sharing between disaster monitoring, forecasting, and management agencies;
- e) support for policy development, populating a geo-node/website for consolidated access to existing and new disaster-related geospatial data and information;
- f) development of dissemination channels (website, SMS services, smartphone app, etc.) to facilitate real time public access to forecasts and warnings; and
- g) support for access and use of real time products from the new CoESCD weather radar in Hissar.

## 2.3. Capacity building for emergency response

- a) Provision of international community certification trainings for professional search and rescue ("SAR") teams;
- b) carrying out public trainings for disaster preparedness;
- c) preparation of disaster preparedness modules for different stakeholders (e.g., public agencies, vulnerable citizens, industrial zones, small and medium enterprises, health workers);
- d) construction, provision of equipment, and capacity building for a water rescue training center at the Recipient's Nurek Reservoir; and
- e) reinforcement and/or additional capacity building for the existing response training center in Karatog.

## 2.4. Strengthening the basis for structural and seismic resilience

- a) Establishment of a seismic response monitoring system for Priority Structures and natural ground locations in Dushanbe;
- b) continued updating of building standards;
- c) carrying out relevant trainings and workshops in the application of updated building codes and standards, including energy efficiency considerations; and
- d) building monitoring and enforcement capacities of the Recipient's Institute of Geology, Earthquake Engineering and Seismology ("IGEES").

## 2.5. Disaster Risk Financing

- a) Assessing the requirements, fiscal realities, needed legislation, and regulations, and subsequently designing priority mechanisms for disaster risk financing; and
- b) carrying out technical capacity building activities of the relevant MOF and other involved government agencies of the Recipient for disaster risk financing.

## **Part 3: Project Management**

Financing of incremental operating costs for the PIU MOF, PIG MOT and PIG CoESCD for Project execution, including overall Project administration and management, prioritization of activities under the Project, management of social and environmental issues, financial management, procurement, contract administration, Project reporting, and monitoring and evaluation.

#### **Part 4: Contingent Emergency Response**

Provision of immediate response to an Eligible Crisis or Emergency, as needed.

Duration of the Project is from June 29, 2022 to March 31, 2027.

## **2. PRESENTATION OF THE PROJECT SPECIAL PURPOSE FINANCIAL STATEMENTS**

### **Basis of preparation**

These project financial statements have been prepared in accordance with the International Public Sector Accounting Standard (the "IPSAS") "Financial Reporting under the Cash Basis of Accounting" issued by the Public Sector Committee of the International Federation of Accountants, and incorporate the following principal accounting policies, which have been consistently followed in all material respects and comply with the World Bank's Financial Management Sector Board's "Guidelines: Annual Financial Reporting and Auditing for World Bank Financed Activities" (the "WB Guidelines").

Under the cash basis system income (or expenditure) is recognized when cash is received (or paid) irrespective of when goods or services are received or provided.

The Project's approved budget disclosed by categories of expenses is not publicly available and as such comparison of budget and actual amounts is not presented.

These project special purpose financial statements consist of:

- \* Summary of funds received and expenditures paid.
- \* Summary of expenditures paid by components.
- \* Notes to the project special purpose financial statements, including short description of main statements of accounting policy and other descriptive notes.

The reporting currency of these project special purpose financial statements is US dollars (the "USD").

## **3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Cash basis of accounting**

The project special purpose financial statements are prepared on a cash basis of accounting. The cash basis of accounting recognizes transactions and events only when cash (including cash equivalents) is received or paid by the Project. The project special purpose financial statements prepared under the cash basis provide information on the sources of funds, the purpose of uses of funds, and cash balances at the reporting date. The measurement focus in the project special purpose financial statements is balances of cash and changes therein.

### **Foreign currency**

Operations in foreign currency initially are counted in functional currency by the official currency exchange rate settled by the National Bank of Tajikistan (the "NBT") on a date of operation.

Funds received are translated into US dollars at official exchange rate of Special Drawing Rights (the "SDR") at the date of funds receipt. All payments made in local currency are translated into US dollars at the official exchange rate defined by the NBT, at the date of transaction.

All foreign exchange differences resulted from maturity or recounting are included in the summary of funds received and expenditures paid.

Non-monetary items are valued according to their historic cost in foreign currency, which are recalculated on rates of the initial operation date.

### **Cash and cash equivalents**

Cash and cash equivalents include cash on hand and due from banks, which can be converted to the corresponding amount of cash in the short term. Balances of advances paid to employees at the end of the period are also part of closing cash position.

## Taxes

Calculation and payment of personal income tax and social security contributions from income of local staff and consultants is made in accordance with the requirements and rates of the Tax Code of the Republic of Tajikistan and relevant legislation of the Republic of Tajikistan.

## Project expenses

The expenses are recorded in the period when they were actually paid.

## Sources of funds

The funds were provided by the World Bank to the Project by direct payments and advances.

## 4. CASH AND CASH EQUIVALENTS

Cash and cash equivalents as at December 31, 2024:

	Currency	MOF	December 31, 2024			MOF	December 31, 2023		
			MOT	CoESCD	Total		MOT	CoESCD	Total
Designated account	USD	378,452	448,383	1,369	828,204	427,673	140,088	4,703	572,464

\* The Project received temporary financial assistance from the "Financial and Private Sector Development" Project (Grant No. E2040-TJ) to cover salary payments. On September 19, 2024, an amount of 10,000 USD was transferred to the Project's Designated Account. This amount was fully reimbursed on September 23, 2024, thereby restoring the account balance to its original state. Additionally, the Project temporarily provided financial support to the "Rural Economy Development" Project (Grant No. D4980-TJ) to cover operating expenses. This transaction involved a transfer of 240,000 USD from the Project's Designated Account on October 30, 2024. These funds were returned in full on November 21, 2024, also restoring the account balance to its original level. As a result, the total inflows and outflows not related to the World Bank financing of this Project through the Designated Account amounted to 250,000 USD.

## 12. UNDRAWN FUNDS

As at December 31, 2024 undrawn funds are presented as follows:

UNDRAWN FUNDS	Grant No. D9780-TJ SDR	Grant No. D9780-TJ in USD
Approved grant amount	35,800,000	50,000,000
Disbursed from the period from the beginning of the project to December 31, 2024.	<u>5,055,071</u>	<u>6,749,574</u>
<b>Undrawn financing amount</b>	<b><u>30,744,929</u></b>	<b><u>43,250,426</u></b>
Financing received as at January 1, 2024	1,486,390	2,000,000
Disbursed in 2024	<u>3,568,681</u>	<u>4,749,574</u>
Finance received as at December 31, 2024	<b><u>5,055,071</u></b>	<b><u>6,749,574</u></b>

## 13. COMMITMENTS

In the normal course of activities, the Project concludes agreements with suppliers of goods and services in accordance with the established budget and procurement plan.

As of December 31, 2024, there was no obligation under the contract
